AN EXELON COMPANY

Rebate Application

Residential Electrification Program

LEARN MORE AT energystar.gov

The Residential Electrification program provides rebates for the replacement of outdated gas, oil, or propane lawn and cooking equipment to residential customers of Atlantic City Electric. Rebates are only for the replacement of fossil fuel equipment and not for replacement of existing electric equipment. Please submit one application per unit. Only apply for rebates through Atlantic City Electric.

Complete this application and email it to ACErebates@clearesult.com or mail to:

CLEAResult
Attn: Atlantic City Electric Electrification Program
16350 Felton Road
Lansing, MI 48906

Application submission/document requirements include the following and must be received within 90 days of installation:

1. Applicant must be an Atlantic City Electric residential customer.
2. Rebate application must be accompanied by proof of purchase including a copy of the dated sales receipt with model number and manufacturer specification sheet.
3. Electric appliances must have post-installation photos showing proof of gas line removal.
4. Details such as rebate amounts and eligible appliances are subject to change at any time.
5. The rebate paid will not exceed the purchase price of the product.
6. New construction is not eligible for electric appliance rebates.

Fill out all information and sign before submitting. Incomplete forms will delay or disqualify your rebate.
