

The HVAC Efficiency program provides rebates for the installation of high-efficiency HVAC equipment to residential customers of Atlantic City Electric. This equipment must be installed by a qualified Participating Contractor, be ENERGY STAR® certified, and meet or exceed all additional requirements. Please submit one application per unit. Only apply for rebates through either your gas or electric company—do not apply to both utilities.

Complete this application and email it to [ACErebates@clearesult.com](mailto:ACErebates@clearesult.com) or mail to:

**CLEAResult**

**Attn: Atlantic City Electric HVAC Efficiency program**

**16350 Felton Road**

**Lansing, MI 48906**

The following must be submitted with the rebate application:

1. A paid invoice dated between Jan. 1, 2025, and June 30, 2027, indicating the type of equipment, installation date, purchase price, model, and serial numbers.
2. An Air-Conditioning, Heating, and Refrigeration Institute (AHRI) certificate, including unit model number, capacity, and efficiency performance ratings. All minimum efficiency ratings must be met to qualify for a rebate. If installing an Air Source Heat Pump–Cold Climate System, verify COP rating using [NEEP Product List](#).
3. All fields below must be answered and information must be completed for your rebate to be processed.
4. You must submit one of the following showing the model and serial numbers of all units: a copy of the UPC label, distributor's invoice, photo of the nameplate or warranty registration confirmation.
5. If you are applying for a qualifying gas measure, a photo of the previously existing/old furnace or boiler with flue visible is required to be submitted with this application to be eligible.
6. Exclusion: Equipment installations in newly constructed homes are not eligible for this program. Rebates will only apply for the replacement of inefficient non-condensing models with new, high-efficiency models. Replacing an existing model will not be eligible.
7. Apply for incentives through either your gas or electric company. Do not apply to both utilities.

Please provide the following information in addition to the product details applicable below:

1. Is the existing unit still in working order? ☐ Yes ☐ No
2. A photo of the existing unit(s)

**Please ensure that all fields are complete. Incomplete information could delay or disqualify your rebate.**

### Enhanced Rebate for Low- to Moderate-Income Customers (up to 400% FPIG)

Eligible customers may receive a \$300 rebate per unit for all qualified HVAC equipment, excluding smart thermostats and furnace fans. To take advantage of this offer, please provide one of the following proofs of eligibility to your installation contractor prior to project completion.

Do you live in a low- to moderate-income census tract area? ☐ Yes ☐ No

To see if you qualify, visit: <https://geomap.ffiec.gov/FFIECGeocMap/GeocodeMap1.aspx>

Do you participate in one of the following safety net programs?

- ☐ General Assistance (GA)
- ☐ Lifeline
- ☐ Low Income Home Energy Assistance Program (LIHEAP)
- ☐ New Jersey SHARES (NJ SHARES)
- ☐ Payment Assistance for Gas and Electric (PAGE)
- ☐ Pharmaceutical Assistance to the Aged and Disabled (PAAD)
- ☐ Section 8 Housing Assistance
- ☐ Supplemental Security Income (SSI)
- ☐ Supplemental Nutrition Assistance Program (SNAP)
- ☐ Temporary Assistance for Needy Families (TANF)
- ☐ Universal Service Fund (USF)

### LMI Verification Acknowledgment

By signing here, I acknowledge that the proof of information provided to my installation contractor and selected above is accurate. I understand that I may be contacted by Atlantic City Electric to confirm and verify proof of eligibility at a later date. Furthermore, I understand that if I give false information or withhold information in order to make myself eligible for benefits that I am not entitled to, I can be prosecuted to the fullest extent of the law.

### HVAC Equipment Terms and Conditions

1. The applicant for Atlantic City Electric's HVAC Efficiency program ("Program") rebate, the details of which are provided in the application to which these terms and conditions are attached and at [atlanticcityelectric.com/WaysToSave](http://atlanticcityelectric.com/WaysToSave), must be a residential customer of Atlantic City Electric ("Customer").
2. Rebate applications are valid only for qualified high-efficiency electric equipment purchased and installed between Jan. 1, 2025, and June 30, 2027. The requirements for qualified equipment may be found in the tables on the second page of the rebate application, and such equipment must also meet the requirements of Section 6 below.
3. The rebate application must be submitted within 120 days of installation of the qualified equipment.
4. It is the responsibility of Customer to ensure that all requirements for the rebate are met. Failure to provide any of the required information will prevent or delay processing of the application. Please submit one rebate application per unit.
5. Rebate payments are based on the equipment installation date. Customer must abide by the rules and rebate levels in effect on the date of installation. Rebate levels cannot exceed the cost of the equipment.
6. The efficiency levels of the qualified equipment are based on the Air-Conditioning, Heating, and Refrigeration Institute (AHRI) certified performance criteria of an outdoor unit and indoor coil (and/or furnace/blower) working together. These ratings are found on [AHRIdirectory.org](http://AHRIdirectory.org). All ENERGY STAR certified equipment must be listed at [energystar.gov](http://energystar.gov) in order to participate in this program. Both the outdoor unit and coil/indoor unit must be replaced and installed as a matched set.
7. The rebate payment will be issued to the account holder at the mailing address on record with Atlantic City Electric or to the submitting contractor as assigned by Customer through their signature on the rebate application.
8. Please allow up to 60 days from the date all required information is received to process your rebate(s).
9. All rebated equipment must be installed and used at Customer's service address specified on the rebate application.
10. Program procedures, requirements, and rebate levels are subject to change or cancellation without notice and are subject to available program funds.
11. By participating in Atlantic City Electric's energy efficiency and peak demand reduction programs, Customer agrees Atlantic City Electric will maintain ownership of all capacity rights from electric savings measures. Capacity rights are the demand reduction associated with any energy efficiency and peak demand reduction measure for which incentives were provided by Atlantic City Electric, which will aggregate these energy efficiency demand reduction attributes into the PJM capacity market as appropriate, with proceeds being used to reduce its customers' costs for the programs.
12. If applying for incentives for natural gas and electric measures at the same time through Atlantic City Electric, Customer is prohibited from applying for the same incentive with their gas company.
13. Atlantic City Electric and/or its designees, including program administrators and evaluation contractors, reserve the right to review installations for equipment subject to the rebate to verify completion and measure energy savings to ensure compliance with all program requirements. Such reviews will be made at a time convenient to Customer. Misrepresentation of installation location or measure eligibility may result in forfeiture of the rebate.
14. Installations of equipment subject to the rebate must be completed in accordance with all laws, codes, and other requirements applicable under federal, state, and local authority.
15. Customer is urged to consult a tax adviser concerning any tax liabilities that could be associated with the receipt of the rebate.
16. Customer agrees that Atlantic City Electric may include Customer's name, Atlantic City Electric services, and resulting energy savings in reports or other documentation prepared for Atlantic City Electric and/or submitted to the New Jersey Board of Public Utilities. Atlantic City Electric will treat all other information gathered for this program as confidential and report it only in the aggregate.
17. Atlantic City Electric and/or its designees, including program administrators, do not endorse any particular manufacturer or product as part of this program.
18. The liability of Atlantic City Electric is limited to paying the rebate, subject to the requirements of the program and these terms and conditions. None of Atlantic City Electric and CLEAResult (the program implementer), their respective parents, subsidiaries or affiliates, or their respective officers, employees, contractors, or agents assume any liability or responsibility for the performance of the equipment subject to the rebate or any equipment warranty, the quality of the installation work, labor and/or materials supplied, and/or the acts or omissions of any Participating Contractor in the program, nor for any consequential or incidental damages, or for any other damages connected with or resulting from Customer's participation in this program.
19. Customer hereby agrees to indemnify, defend, and hold harmless Atlantic City Electric, its parents, subsidiaries, and affiliates, and their respective officers, employees, and agents from any and all liability associated with this program.

### Acknowledgment

By signing and submitting this application, I agree to the terms and conditions of this document and certify that the information I have provided is true and accurate.

# Residential HVAC & Water Heating Rebate Program - Gas and Electric

## South Jersey Gas (SJG) Application Instructions · Atlantic City Electric and PSE&G

For faster processing, please complete the online application at [ETGSaveEnergy-customer.clearesult.com](https://ETGSaveEnergy-customer.clearesult.com) utilizing the “Apply for Financing” or “Apply for Rebate” buttons.

1. Review and agree to the Program Terms and Conditions (last page). The Terms and Conditions apply for the electric utility partner.\*
2. Electric rebates will only be processed when paired with eligible gas rebates that have passed QA field inspection if applicable.
3. Purchase and install eligible equipment pertaining to program efficiency requirements.
4. Apply for natural gas and electric product incentives through either your gas or electric company. Do not apply to both utilities.
5. If multiple contractors have been used for installs, please submit a separate application for each contractor.

**Newly increased incentives for equipment installed January 1, 2025 or later!**

**Please Provide the Following Information in addition to the product details applicable below:**

1. Is the existing unit still in working order? Yes or No.
2. A photo of the existing unit.

HVAC Equipment		
Submit this application within 120 days of purchase date along with detailed paid receipt and/or invoice and AHRI Certificate if applicable.		
ELIGIBLE PRODUCT - GAS REBATES	Requirements based on AHRI certificate data	Rebate Amount
Gas Storage Tank Water Heater - Tier 1	Power Vented <55 gallons, UEF ≥ .64 Medium Draw Pattern, High Draw Pattern UEF ≥ 0.68	\$400
Gas Storage Tank Water Heater - Tier 2	Power Vented ≥ 55 gallons, UEF ≥ 0.78 Medium Draw Pattern, High Draw Pattern UEF ≥ 0.80	\$400
Tankless Water Heater – Tier 1	UEF ≥ 0.87	\$500
Tankless Water Heater – Tier 2	UEF ≥ 0.95	\$750
Indirect - Fired Storage Tank Water Heater	When paired with a qualifying AFUE 90%+ gas boiler	\$250
Reset controls for boiler	Invoice must show “boiler control”	\$125
Gas Boiler - Tier 1	AFUE 90-94.99%. Non-condensing to condensing	\$900
Gas Boiler - Tier 2	AFUE ≥ 95%. Non-condensing to condensing	\$1,000
Gas Furnace	AFUE ≥ 95. Non-condensing to condensing	\$900
Gas Combi Boiler Tier 1	AFUE ≥ 95%. Non-condensing to condensing	\$1,300
Gas Combi Boiler Tier 2	AFUE ≥ 97%. Non-condensing to condensing	\$1,750
Smart Thermostat Limit of two thermostats per account per program cycle	As part of an eligible HVAC install. New installation or replacement of a manual or conventional programmable thermostat with an ENERGY STAR® certified smart thermostat.	\$100

ELIGIBLE PRODUCT - ELECTRIC REBATES	Efficiency Standard according to AHRI	Rebate Amount	
		ACE	PSE&G
Central Air Conditioning Tier 1	SEER2 ≥ 15.2, EER2 ≥ 12	\$100	\$100
Central Air Conditioning Tier 2	SEER2 ≥ 17, EER2 ≥ 12	\$200	\$200

\*Check the applicable electric utility partner website for full terms and conditions for electric rebates.

# Residential HVAC & Water Heating Rebate Program - Gas and Electric

## Application Instructions - Enhanced Low to Moderate Income (LMI) Incentive

NJ Low to Moderate Income (LMI) residents may be eligible for an Enhanced LMI incentive of \$300 for each qualifying piece of equipment, with the exception of thermostats. To take advantage of this offer, you can select one of the three verification options listed below. If your address appears in the Low or Moderate Census Tract via website listed, please select Census Tract verification method to self-certify. If you are unable to verify via census tract, then please select either the Safety Net Program Participation or Income Level option to verify eligibility. Please submit a supporting verification document(s) along with your completed application. Please protect any confidential information on the documents.

### LOW INCOME VERIFICATION

- ☐ Low Income Census Tract  
(<https://geomap.ffiec.gov/FFIECGeocMap/GeocodeMap1.aspx>)
- Participation in one of the following Safety Net Programs:  
Documentation required.
- ☐ Universal Service Fund (USF)  
☐ Lifeline  
☐ Low Income Home Energy Assistance Program (LIHEAP)  
☐ Temporary Assistance to Needy Families (TANF)  
☐ Supplemental Security Income (SSI)  
☐ Pharmaceutical Assistance to the Aged and Disabled (PAAD)  
☐ Section 8 Housing Assistance  
☐ Supplemental Nutrition Assistance Program (SNAP)  
☐ General Assistance (GA)
- ☐ Customer's income is at, or below, 250% of the Federal Poverty Guidelines at the time of purchase. Please provide income verification documentation. (see 2024 chart below, data will update in 2025):

### MODERATE INCOME VERIFICATION

- ☐ Moderate Income Census Tract  
(<https://geomap.ffiec.gov/FFIECGeocMap/GeocodeMap1.aspx>)
- Participation in one of the following Safety Net Programs:  
Provide copy of utility bill showing Safety Net Program participation.
- ☐ Payment Assistance for Gas and Electric (PAGE)  
☐ New Jersey SHARES (NJ SHARES)
- ☐ Customer's income is between 250%-400% of the Federal Poverty Guidelines at the time of purchase. Please provide income verification documentation. (see 2024 chart below, data will update in 2025):

2024		
Family Size	Income Guidelines	
	250%	400%
1	\$37,651	\$60,240
2	\$51,101	\$81,760
3	\$64,551	\$103,280
4	\$78,001	\$124,800
5	\$91,451	\$146,320
6	\$104,901	\$167,840
7	\$118,351	\$189,360
8	\$131,801	\$210,880
Each Add.	\$13,451	\$21,520

### Income Verification

- If paid weekly, pay stubs for 4 consecutive weeks within last 8 weeks of the application submission date.
- If paid twice a month or every two weeks, 2 consecutive pay stubs.
- If self-employed, copy of latest federal income tax statement with schedule C showing profit/loss.
- Social Security benefits - Current year award letter, bank statement, or check (including children benefits).
- Pension - Benefit award letter, current pension statement, direct deposit, or 1099 forms.
- Unemployment benefits - Benefit determination letter or 2 consecutive benefit pay stubs.
- Child support/Alimony - Award letters.
- Rental Income - Copy of latest federal income tax statement with Schedule E or lease for all tenants and/or rent receipts or notarized vacancy agreement letter.

If you fall within the low or moderate income level, please list your gross annual household income \_\_\_\_\_ and number of household members \_\_\_\_\_. You may qualify for a higher rebate amount if eligible.

### LMI VERIFICATION ACKNOWLEDGEMENT

By signing here, I acknowledge that the information I have provided regarding income verification is accurate and true. I understand that I may be contacted by SJG to confirm and verify proof of eligibility at a later date, and understand that if I give false information or withhold information in order to make myself eligible for benefits that I am not entitled to, I can be prosecuted to the fullest extent of the law.

# Residential HVAC & Water Heating Rebate Program - Gas and Electric

## Terms and Conditions

### TERMS AND CONDITIONS

1. SJG gas account must be residential and active at the time of install for the installation address associated with this application for install to be eligible for an HVAC rebate.
  2. It is the responsibility of the applicant to make sure all program requirements are met and all required documentation is provided to South Jersey Gas. Failure to provide required documentation may result in rebate ineligibility.
  3. The completed application form and all required documentation must be postmarked or electronically received within 120 days of Purchase Date for HVAC equipment or water heaters.
  4. Invoices must show proof of purchase date and charges paid. SJG reserves the right to request proof of purchase including credit card receipt or statements showing charges paid.
  5. Energy Efficiency ratings of installed equipment must comply with those listed in the Air Conditioning, Heating and Refrigeration Institute (AHRI) Directory for water heating equipment - <https://www.ahridirectory.org>.
  6. System selected according to Manual S criteria based on Manual J Loads (required).
  7. Please allow 60 days to receive the rebate after complete documentation is received.
  8. Rebate amount issued to customer/contractor will be dictated by Efficiency Requirements. Invoice amount and discount shown on invoice will not impact rebate amount.
  9. SJG and/or their designees including program administrators and evaluation contractors reserve the right to review installations to verify completion and measure energy savings to ensure compliance with all program requirements before issuing the rebate. Such reviews will be made at a time convenient to the applicant. Misrepresentation of installation location or measure eligibility may result in forfeiture of the rebate.
  10. This program is subject to New Jersey Board of Public Utilities (NJBPU) regulatory rules and orders. SJG reserves the right to change any portion of the program or end this program without notice.
  11. Installations must be completed in accordance with all laws, codes and other requirements.
  12. By participating in the Company's energy efficiency and peak demand reduction programs, customers agree their electric utility will maintain ownership of all Capacity Rights from electric savings measures, which refers to the demand reduction associated with any energy efficiency and peak demand reduction measure for which incentives were provided by the Company. Your electric utility will aggregate these energy efficiency demand reduction attributes into the PJM capacity market as appropriate, with proceeds being used to reduce customers' costs for the programs.
  13. All offers are subject to available funding. SJG reserves the right, with approval of the State of NJBPU, to terminate, modify, suspend or extend this program.
  14. Rebate applications are valid for qualified products installed between January 1, 2025 - June 30, 2027.
  15. Rebate applications must be postmarked or electronically submitted by June 30, 2027.
  16. If applying for incentives for natural gas and electric measures at the same time through SJG, it is prohibited to apply for the same incentive with your electric company.
- Exclusion**  
Equipment installations in newly constructed homes are not eligible for this program.  
Rebates will only apply for the replacement of inefficient non-condensing models with new, high efficiency condensing models. Replacing an existing condensing model with a new condensing model will not be eligible.
- Tax Information**  
Rebates may be subject to federal and/or state income tax reporting. Rebate recipients are responsible for contacting a qualified tax advisor to determine tax liability. SJG is not responsible for any tax consequences of the rebate program.
- Quality Assurance**  
SJG reserves the right to verify products installed before issuing payment. Customer agrees to permit a representative to have reasonable contact with customer to verify the products that were installed.
- Disclaimer**  
SJG does not guarantee the performance of installed equipment expressly or implicitly. Any concerns regarding installation should be directed to your installer. Customer agrees that SJG has no liability whatsoever concerning the quality, safety and/or installation of the products or measures resulting from the application for a rebate. Customer agrees to waive any and all claims against SJG and its affiliates, directors, officers, employees or agents, arising out of activities conducted by or on behalf of SJG in connection with application for any rebate(s) under the SJG Residential HVAC and Water Heating Rebate Program.
